

As a mom and a camp professional, I am grateful for our camp families who trust us with the health and safety of their campers every summer. Thank you in advance for your patience as we implement the research, local and national guidance on preventing the spread of COVID in camps. My thought is: "I will do whatever I need to do to get back to operating camp!" –eli

Each Friday beginning May 14, I will send an email to our 2021 summer camp families with any updated news about COVID procedures at camp. Stay up to date by watching your email and reviewing our COVID page: <https://myycamp.org/parents/covid2021/>

May 28, 2021

BIG NEWS. Just this afternoon the CDC updated their summercamp COVID guidance. Please continue being patient with us as we:

- head into family camp this weekend
- consider how this updated guidance applies at Camp Ernst (Day and Overnight camp)
- consult with the epidemiology department at the Northern Kentucky Health Department
- consult with our Camp Medical Advisory Committee
- attend the national townhall meeting next Tuesday with the American Camp Association and CDC

SO...

As of right now, nothing has changed yet to the camp policies, as we take time to review the documents.

I will announce any updates with another COVID SAFETY update next week—Friday at the latest, and hopefully sooner!

Have a great holiday weekend!

Ernstlove,

eli
