

For both Ohio and Kentucky residents

Currently, several Walgreen's and CVS locations across the area are currently providing free drive-through Coronavirus testing for anyone over the age of three. Both pharmacies recommend scheduling first the on the website prior to going to the pharmacy. Please visit the Walgreen's or CVS website for more details.

****Most health insurance plans, INCLUDING HIGH DEDUCTIBLE PLANS, must pick up 100% of the cost of coronavirus testing. Please contact your insurance company to confirm if you are uncertain of the policy regarding Covid testing costs.**
