

As a mom and a camp professional, I am grateful for our camp families who trust us with the health and safety of their campers every summer. Thank you in advance for your patience as we implement the research, local and national guidance on preventing the spread of COVID in camps. My thought is: "I will do whatever I need to do to get back to operating camp!" –eli

Each Friday beginning May 14, I will send an email to our 2021 summer camp families with any updated news about COVID procedures at camp. Stay up to date by watching your email and reviewing our COVID page: <https://myycamp.org/parents/covid2021/>

No changes since last Friday's email! We are continuing with the plan of following the CDC's [updated summer camp guidance](#). Please note that I will continue to update you as summer progresses with any and all changes!

In case you missed it last week, we have created a list of the **very limited situations at overnight and day camp when campers will need to wear masks**. Please [review those here](#) with your camper.

We are grateful to have camp families from all over Greater Cincinnati (and the world!) here together on our property this summer. Thank you for your patience as we plan for a safe and fun camp season for all!

Ernstlove,
